

AQUATIC CENTER LOCKERS

TUFFTEC® 2.0 OPTIONS

Tufftec™ 2.0 Lockers are available with plenty of options to suit your needs.

- **Locks** — Tufftec™ 2.0 Locker systems offer 4 different lock options:
 - Padlock
 - Key
 - Coin Key
 - In-Door Combination Lock

■ Venting Style

Tufftec™ 2.0 Lockers are available with standard horizontal venting, as well as optional lattice mesh venting.

■ Slope Top

Slope tops are fabricated to be shipped unattached and installed in the field.

■ Locker Base

Bases are supplied 4" high in black unless otherwise specified. Locker bases are fabricated from 3/4" black plastic. Bases are assembled in the field.

■ End Panels & Fillers

Plastic panels and fillers are available to provide a perfect fit for every space.

■ Custom CNC Engraving

Team logos or other symbols can be laser routed into doors or other areas.

■ Plastic Benches

1 1/2" thick material to match locker color selections

COLORS

Tufftec® 2.0 Lockers, Athletic Lockers, Tufftec® 2.0 Cubbies and Locker Room Benches are available in a variety of popular, designer colors to complement virtually any décor.
